

UNIVERSAL FIXTURE

Universal Fixture

Blue Photon's **Universal Fixture** revolutionizes workholding for rapid prototyping and MORE!

Our Universal Fixture saves time and money when manufacturing one-offs and low volume parts or prototyping due to its capability to easily hold near-net shaped parts; including parts generated through additive manufacturing. This results in lower fixture costs and quick turn around times.

In short... time AND money saved!

Part # 91200

Each Universal Fixture arrives complete with the following pieces:

Part Number	Qty	Description	
91201-100	3	Z Locator Assembly	
91202-000	3	XY Locator Assembly	
91203-200	2	50mm Vertical Gripper Arm Assembly	
91203-300	4	75 mm Vertical Gripper Arm Assembly	
91203-400	2	Horizontal Gripper Arm Assembly	
91204-000	2	Pivoting Gripper Assembly	
91205-100	1	300mm Square Base Plate*	
91209-110	9	Shaft Foot	
91209-420	2	Shaft Support, 50mm Length	
91209-440	4	Shaft Support, 100mm Length	
91209-460	3	Shaft Support, 150mm Length	
15130	6	Medium Head-In Gripper	
64860	1	Right Angle Adapter, Extended Medium	

* Custom sizes available upon request.
